

## Environmental Policy – ISO 14001:2015

### Precast Concrete Structures Ltd (PCS)

PCS is a management company that specialises in the delivery of precast concrete structures for Hotels, Prisons, Student Accommodation and Apartments.

Design manufacture and erection is achieved by the establishment of specialist suppliers across the UK and Europe to offer a range of products that include precast walling, hollowcore, solid slabs, beam and column and composite insulated architectural panels. The objective is to offer contractors a structural solution rather than a product.

The scope is limited to the management process which are overseen and monitored by PCS staff. Although PCS try to influence all of our supply chain in the way they operate and manufacture to try to reduce the impact of our processes on the environment.

Precast Concrete Structures is committed to protecting the local and global environment of the Earth. To minimize environmental impacts concerning our activities, products and services and we shall:

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
- To include the consideration of environmental issues in all business strategies and initiatives.
- **Precast Concrete Structures Ltd** senior management are committed to ensure that protection of the environment is firmly embedded in both the company's and all employees culture and will endeavour to influence its suppliers and customers in a similar strategic environmental manner
- Prevent pollution, reduce waste and minimize the consumption of resources.
- Consider the wider global impact of all our activities including those of our supplier's customers and other stakeholders
- Educate, train, and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals
- Encourage environmental protection among suppliers and subcontractors.
- To investigate the feasibility of influencing its suppliers, customers and third parties with consideration to life cycle impacts of their aspects. and activities
- Encourage and enhance biodiversity and ecology

The Company is committed to continual improvement of environmental performance and this Policy provides a framework for setting, monitoring, reviewing, and achieving our objectives, programmes and targets.

This Policy will be communicated to all staff, contractors and suppliers, and be available to the public through selected media.
